

Learning Made Better 2027

A vacation designed with Minnesota Realty School for Realty Professionals Continuing Education Credit requirements.

In 2027, we set sail aboard the **all-new Star Princess**—and you're invited to be part of something truly special. Making her grand debut in October 2025, this spectacular ship is already redefining luxury at sea.

Join us **January 23–30, 2027**, for **7 unforgettable nights** on The Love Boat, cruising round-trip from Fort Lauderdale to some of the Caribbean's most breathtaking destinations: **Grand Turk (Turks & Caicos), Amber Cove in the Dominican Republic, and Celebration Key in the Bahamas.**

The **Star Princess**, the second Sphere Class ship, is a stunning sister to the sensational Sun Princess, featuring exciting enhancements designed to elevate every moment on board. Enjoy a **non-smoking casino, a brand-new Sky Deck sports court and track, and expanded dining venues** that offer even more ways to indulge.

With **2,157 beautifully designed staterooms** accommodating up to **4,300 guests**, the ship offers something for everyone—including **80 luxurious suites, 123 mini-suites, over 1,000 balcony staterooms, and 100 connecting rooms**. For those seeking the pinnacle of relaxation, **The Sanctuary Collection** delivers quiet luxury with exclusive access to the ship's top-deck retreat and premium amenities that turn your voyage into a true escape.

Spanning **20 decks**, the Star Princess boasts **29+ bars and restaurants**, multiple pools, and unforgettable spaces to unwind—from the lively **Lido Deck pools and hot tubs**, to the **adults-only Dome pool beneath a glass canopy**, a tranquil **Sanctuary pool**, and an **infinity-style wakeview pool** at the stern.

Entertainment shines just as brightly, with **Broadway-style productions**, live music, comedy shows, and interactive game shows. Unique experiences like **Spellbound by Magic Castle, Movies Under the Stars**, and spontaneous **pop-up performances in the Piazza** ensure there's never a dull moment.

And the best part? While enjoying all of this luxury and adventure, you'll also have the opportunity to **complete your required courses—right on board this incredible ship.**

This isn't just a cruise.
It's an experience you'll never forget.

Per person Group pricing for 2027 offers different options for all types of cruisers.
Princess offers two options for beverage packages.

Basic pricing is quoted, it does **NOT** include gratuities (tips), specialty dining or beverage packages.

However Government taxes and fees **ARE** included in the rates below.

Beverage, dining and gratuity options are available on a per stateroom basis. They are detailed on following pages.

On board CE is an Added Cost of \$200 to be paid separately.

Category	Group Allowance	Double	Single	3rd/4th
Cabana Suites	1	\$1,964.00	\$3,753.00	\$1,014.00
Cabana Suites	1	\$1,764.00	\$3,313.00	\$914.00
Mini Suites	3	\$1,764.00	\$3,313.00	\$834.00
DB Balcony	11	\$1,414.00	\$2,613.00	\$814.00
DC Balcony	12	\$1,394.00	\$2,573.00	\$804.00
DD Balcony	5	\$1,374.00	\$2,533.00	\$794.00
DE Balcony	7	\$1,344.00	\$2,473.00	\$774.00
DG Balcony	4	\$1,214.00	\$2,213.00	\$714.00
O3 Oceanview	5	\$1,084.00	\$1,953.00	\$644.00

Balcony staterooms are categorized by letter, which corresponds to their location on the ship. The earlier the letter in the alphabet, the more desirable the location, and therefore the higher the price.

Stateroom assignments are available on a first-come, first-served basis. Additional staterooms and suites within The Sanctuary Collection may be available by individual request.

Oceanview Staterooms

Oceanview staterooms feature a picture window and all the amenities of an interior room with the added benefit of ocean views that bring an airy openness to the space. Oceanview staterooms now include a double sofa bed and a smaller couch under the window. They come in two different configurations, one with a bed by the window and one with a bed by the bathroom.

Balcony Staterooms

All Balcony Staterooms come with a double sofa bed and a private balcony with well-appointed outdoor furniture.

They come in two different configurations, one with a bed by the window and one with a bed by the bathroom. You can determine this by checking the deck plan. The bed headboard will be located in the deepest indentation along the dividing wall so, for example, 12322 below will have a sofa nearest the window and bed facing forward whilst 12326 will have the bed closest to the window and facing aft:

Mini Suite Staterooms

A Mini Suite is substantially larger than a balcony stateroom and includes a separate seating area with sofa bed as well as two flat-panel TVs. A Mini Suite is perfect if you need a little extra space for your family or group and you will enjoy an extra perk of a complimentary glass of bubbly on embarkation day. They come in two different configurations, one with a bed by the window and one with a bed by the bathroom.

Note that Mini Suite staterooms will only have a walk-in shower unlike the tub/shower combination on Royal class but it will have an upgraded bathroom space.

Within the Mini Suite category are Cabana rooms, resort-style staterooms with an additional lounging area with floor-to-ceiling glass (and an external door) between the main cabin area and your balcony. This will enable you to relax inside or out in complete comfort to incredible views.

Category C2 Reserve class Cabana mini suites will have balcony glass tinted blue and will be double-height so you won't be able to lean over the balcony rail. Also the balconies will be totally overlooked from above.

Note also that Cabana Mini Suites will be narrower than standard Mini Suites – they will be same width and bathroom size as standard rooms.

Mini Suite Locations:

Category MD: Mini Suite (Deck 10/11/12/14)

Cabana Mini Suite Locations:

Category C2: Reserve Cabana Mini Suite (Deck 9)

Category CB: Cabana Mini Suite (Deck 10/11/12)

Mike Brennan, MN Realty School – Instructor

Mike Brennan brings decades of real-world experience and a dynamic teaching style to MN Realty School. He was a licensed Realtor from **May 1995 through February 2012** and spent **11 years teaching with Kaplan**, where he built a strong reputation as an engaging and knowledgeable instructor.

Since **2003**, Mike has taught **pre-licensing and continuing education courses** across multiple states, including **Minnesota, Nevada, Wyoming, Montana, Florida, and Wisconsin**. His energy and enthusiasm create an interactive learning environment that keeps students attentive, engaged, and motivated.

Mike's passion for real estate began in **1993**, when he became an investment property owner. This hands-on experience led him to a successful career involving property **restoration, resale, rentals, and residential sales**, giving students practical insights grounded in real-world application.

Highly active in the professional community, Mike has served on numerous REALTOR® association committees, including **Professional Standards, Nominating, Executive Committee**, and the **Board of Directors** for the State Association of REALTORS®.

Mike resides in **St. Paul, Minnesota**, with his wife in a **more than 100-year-old Victorian home** that they personally renovated—bringing new life, character, and beauty to a historic property.

In recognition of his impact on the industry, Mike was also named a finalist for **“Most Influential Real Estate Voices in the United States”** by Inman News.

For those of you who may not know me, my name is **Robin Mochinski**. I am a licensed Realtor and a member of **Tonia Detweilers** team at **The Realty Lab**, brokered by **REAL**, in Delano, Minnesota. I am also an Independent Travel Agent, working alongside my husband Britt to build *Mo Time 2 Travel*, with **Travel Planners International** (TPI) as our host agency.

As some of you may know, my husband passed away unexpectedly while traveling with this group during our **Continuing Education Cruise in January 2024**. While that loss was profound, it also reinforced how meaningful this community truly is. I am incredibly proud to be part of a team that consistently lifts one another up and offers genuine support.

I am excited to continue working with you as we plan our next **Learning Made Better Cruise**. Having personally experienced and visited the ports we travel to, I bring both firsthand knowledge and a shared perspective. I am not just here to plan the journey—I am one of you, and I look forward to taking care of each of you every step of the way.
